## CTPM Learning Group Network Meetings

CTPM are showcasing the great successes people are achieving through their improvement activities through our regular Learning Group Network Meetings. Sites progressing their TPM & Lean journey are welcoming CTPM members and their guests into their Improvement Areas for learning and networking. Meetings last for two hours and include a tour of the improvement area, networking time and a short presentation from a guest speaker who will share their learnings to date at the site.

### Meeting Topic

#### Insights into how to move into Area Based Team improvement activities.

Darrell Lea's TPM Manager, Peter Roubekas will share experiences and learning's from the implementation of TPM & Lean Improvement activities in the state-of-the-art Liquorice Plant at the Kogarah Site.

#### By coming along, you will:

- Learn about the path to take to establish Area Based Teams that gave strong ownership for their workplace
- Learn about the Tangible and Intangible benefits of getting your structure right to your business and employees
- Hear others learning's and experiences
- Establish networking opportunities
